So you've decided to try Quizzify! Now what?

ONE-TIME

IDENTIFY GOALS

What are your goals?
What problems do you have today? How do you measure success?

SCHEDULE

Set a start date, create a monthly schedule, and identify major milestones for reporting.

SET-UP

We work with your IT team to ensure users can access our site and receive our emails on your network.

RECURRING

PROMOTE

Use provided communication templates to promote Quizzify within your organization. Employees can register through a customized sign-up link.

LAUNCH QUIZ

Set-up, manage, and launch quizzes through your personalized admin dashboard. Once a quiz is launched, registered employees can log-in to play and view scores at any time.

PLAY

Employees complete a series of questions on health and healthcare, picking up key facts and insights as they go, and earn points based on how well they answer.

REPORT

Use your personalized admin dashboard to view macro-level and employee-specific data in real-time. You also get access to user feedback surveys.

All users receive full privacy protection; we neither collect nor distribute users' personal health information. [Learn more](#) about our guarantees and our pledge to the Employee Health Program Code of Conduct.
